

“Discover Your Painting Style “

# 5-Day Watercolor Workshop

With

**Joyce Faulknor & Guy Magallanes**

*Co-Hosts of The Award Winning*

*PBS Instructional Painting Program*

## Twice the Fun and Twice the Information

Instructors/Watercolorist/Authors

**Joyce Faulknor and Guy Magallanes**

This workshop is for artists of all levels including art enthusiasts and even the non-painter. Joyce Faulknor and Guy Magallanes two seasoned watercolorists and art instructors, make painting fun and entertaining, while remaining informative; encouraging students that anyone can paint, any and all subjects.

“You will complete two lessons, applying two differing styles, the lessons will take you from the art of fine detailed painting to lovely large brush strokes, techniques will vary from masking, wet into wet, transition of color blends, to mixing rich beautiful color from a limited palette.

Guy’s paints light to dark, one color at a time. Joyce paints dark to light, mixing her colors in her palette and on the paper. The lively chemistry between Joyce and Guy keeps the workshop informative from beginning to end. The subject matter will be focused on still life and the outdoor life. While offering twice the information, twice the fun, this well-organized workshop will give you the best of both mastered watercolorists, Joyce Faulknor & Guy Magallanes.

“Art 2 Art” has been aired on public access television, as well as winning an award for “Best Instructional Program”, and is now on KCSM airing every Saturday at 9:00 am.
